Clifton-Allen Lodge Reconsecrated

Most Worshipful Brother Keith W. Newton, Grand Master of Free & Accepted Masons of Ohio, with the assistance of his Officers and Past Masters of Clifton-Gaston Allen Lodge, reconsecrated the Lodge on Saturday, August 8, commemorating the 100th Anniversary of Clifton Lodge's chartering on October 22, 1920. The ceremony was originally scheduled for April but was postponed by the COVID-19 pandemic.

Following the Reconsecration, the Grand Master attended

a ceremony in our Temple Ballroom recognizing the Masters of Lodges in the 16th, 22nd and 25th Masonic Districts together with Excellence in Youth and Grand Master's Community Service Awardees who would have been recognized at the respective Grand Master's Receptions which were similarly cancelled in the Spring. The event was complete with a box lunch (per government COVID-19 precautions) provided by the Blue Lodge Associations of the 22nd Masonic District. It was a great

day for Freemasonry in Lakewood and Northern Ohio!

While on the subject of reconsecrations, we note with some sadness that Holy Grail Commandery's 100th Anniversary Reconsecration by the Grand Commandery, Knights Templar of Ohio, originally scheduled for Sunday, September 20, 2020, has been postponed indefinitely per the COVID-19 precautions ordered by the Grand Encampment of Knights Templar, USA.

While most of our Lakewood and Ohio Masonic organizations have resumed in-person meetings and events honoring protocols and restrictions from their parent and government bodies, some of the gatherings you might have attended are being conducted electronically. Be sure your email address is on file with your respective Secretaries and Recorders, and make regular visits to the calendar pages on our web site. Stay involved by getting connected!

CARES Act Offers Larger Tax Deductions

The CARES Act government stimulus bill was adopted last spring to help mitigate the effects of the COVID-19 pandemic. While its provisions are wide-ranging, one specific purpose was to stimulate additional charitable giving.

The federal tax reform act passed in 2017 nearly doubled the standard deduction for federal income tax purposes in an attempt to simplify tax return preparation. Many previously itemized deductions were eliminated in the process. One of the downside effects for charitable organizations such as our Lakewood Masonic Foundation was a loss of incentive for taxpayers accustomed to claiming itemized charitable deductions.

One of the CARES Act provisions is that if you take the standard deduction in 2020 (on the return you file in 2021), you can take an additional "above the line" deduction of up to \$300 for cash donations you make to charities such as our Lakewood Masonic Foundation this year.

The CARES Act further provides that if you will be itemizing your 2020 deductions, for this year only you may deduct cash donations to charities of up to 100% of your Adjusted Gross Income (AGI) rather than the usual 60% limitation (with associated carryovers).

The most important incentive for donating to our Lakewood Masonic Foundation isn't an income tax deduction. Rather, it's an expression of the donor's affection for, and support of, our Lakewood Masonic Family and our charitable purposes—a desire to contribute above and beyond your annual dues.

In addition to cash donations (yes, including checks), our other donation vehicles are still available to you.

AmazonSmile shoppers (smile.amazon.com/ch/20-0357206) can have 0.5% of their purchases donated to our Lakewood Masonic Foundation without increasing the price paid for purchases.

Facebook users may donate through our Facebook page. Facebook does not charge a fee to our Lakewood Masonic Foundation or other not-for-profit organizations.

Traditional (not Roth) IRA holders may still donate directly from their IRAs, although the required minimum distributions (RMDs) for older account holders have been eliminated for 2020. Such distributions do not incur either federal income or estate taxes but also do not count as itemized deductions for tax purposes.

Donations can be made after death by naming The Lakewood Masonic Foundation as a beneficiary in your will, life insurance policy, IRA, TOD (Transfer on Death) account or the like, either as a fixed amount or a percentage.

In all tax matters, you are best advised to discuss your intentions with an attorney and/or tax accountant. Gifts and bequests to our Lakewood Masonic Foundation (but not our Lakewood Masonic Temple Operating or Endowment Funds) are deductible for federal estate and income taxes to the extent permitted by law.

Master's Message

Brethren:

Although COVID-19 has altered our lives in many ways, we have continued to move forward with Freemasonry.

In June we passed and updated several Standing Resolutions as well as passing a update to our By-Laws to update our annual dues. We are now able to raise dues by a very small percentage in order to come to a balanced budget in regards to ALL per capita expenses. The new By-Law will raise dues by just a few dollars each year until fiscal parity is achieved.

In August we had the 100 Year Reconsecration Ceremony of our charter. Most Worshipful Brother Keith Newton presided over the ceremony with his Grand Lodge Officers. The event was well attended by those who were able to attend. The Lodge was also presented with a handmade case that included vessels of the corn, wine, and oil which were used in the ceremony.

This fall we will be busy. As the current health climate will permit, we will be planning a Ladies at the Table, Table Lodge. We will also schedule an awards night and will raise a candidate to the sublime degree of Master Mason.

Please make sure we have your up to date contact information as our schedule has necessarily been very fluid during this pandemic. You can update your own information online through Grandview. Please visit https://oh.grandview.systems/users/sign_in. If you need assistance with signing up, contact our secretary WB John Whitehouse, Jr. or myself; and we would be glad to help you.

Stay well and be safe!

Representatives of Lodges

In the General Regulations of 1721 it was enacted that "The Grand Lodge consists of and is formed by the Masters and Wardens of all the regular particular Lodges on record"; and also that "The majority of every particular Lodge, when congregated, shall have the privilege of giving instructions to their Master and Wardens before the assembling of the Grand Chapter or Lodge, at the three quarterly communications hereafter mentioned and of the Annual Grand Lodge too; because their Master and Wardens are their Representatives and are supposed to speak their mind" (*Constitutions*, 1723, page 61). A few modern Grand Lodges have disenfranchised the Wardens also, and confined the representation to the Masters only. But Brother Hawkins asserts further that this is evidently an innovation, having no color of authority in the Old Regulations.

Proxy Installation

The Regulations of 1721 provide that, if the new Grand Master be absent from the Grand Feast, he may be proclaimed if proper assurance be given that he will serve, in which case the old Grand Master shall act as his proxy and receive the usual homage. This has led to a custom, once very common in the United States, but later on getting into disuse, of installing an absent officer by proxy. Such installations are called *Proxy Installations*. Their propriety is truly very questionable.

Matron's Message

When choosing the Theme of this year, "No Man Is An Island", there was no sign that a pandemic would envelop the world, making people observe shut-in orders, social distancing, and mask wearing. All of these things encourage people to feel that they occupy their own little island, with a few excursions into the greater world to get groceries or other necessities. Yet, as we stayed home, there was time to reflect on the friendships we have formed within the Chapter, and the things we have accomplished as well as those things we hope to do as a group, making our motto "We Stay The Course Together" especially meaningful even though we are distanced.

We had planned many activities, but one by one they were cancelled. However, we look forward to the fall months. Our first meeting on September 2, we will celebrate our Chapter's 99th birthday. This is the time of the year that we recognize members who are celebrating landmark anniversaries in the Order. On September 16, we will celebrate birthdays of those who have birthdays from September through October. October 21, we will celebrate All Saints Day.

High Priest's Message

Companions:

Thank you for your confidence in electing me High Priest for this Capitular year. Together we must all do our best under trying circumstances.

Our last in-person convocation was in February when we conferred the Most Excellent Master Degree on several candidates. We met electronically via Zoom for our May elections and our Annual Convocation and Installation of Officers in June, all under the procedures established by our Grand Chapter and Grand Lodge.

We're planning to resume meeting in-person at our September 16 Table Chapter. You are encouraged to attend, but only if you feel comfortable doing so. Our dining room is more than large enough to spread everyone out for social distancing.

The annual in-person Grand Chapter Convocation in October has been cancelled and will be replaced by a single virtual session. With the cancellation of the in-person events comes the cancellation of the silent auction and bead raffle, which are both major fundraisers for our Royal Arch Foundation. Since the needs of our Foundation's charity, Adopt America, don't stop with the pandemic; we encourage you to make a special donation if you are able.

We are hoping to resume our degree work this fall under the guidance of our Grand Chapter. We are blessed with nine candidates at various stages of progress—three Most Excellent Masters, two Past Masters, three Mark Masters and one waiting to start his York Rite journey—one of the reasons we were recognized as the 16th Capitular District Chapter of the Year. This would be a great time to recruit more candidates so we can work them into the mix before we resume our annual degree cycle.

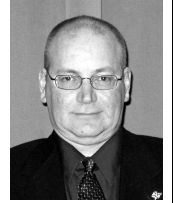

Please stay safe and well, and keep in touch.

Matron's Message

(continued from page 5)

With the 2019-2020 year coming to a rapid close, the Worthy Matron and Worthy Patron want to thank you for the privilege of serving this Chapter. At the same time, we wish Norma Jean Crown, Worthy Matron-elect, and Daniel Crown, Worthy Patron-elect, much happiness and success as they lead the Chapter in celebrating its 100th year.

And...remember to keep our Bible verse close to your heart: "Let love be genuine, hate what is evil, hold fast to what is good, love one another with mutual affection: outdo one another in showing honor." (Romans 12:9-10.)

Master's Message

Companions:

It seems like it was just yesterday I had the privilege of accepting the office of Illustrious Master for the first time.

Now as we start a new Cryptic year, I still feel that same excitement. Many years have passed since I walked with Hiram, however it always gives me great pleasure to watch our newer members take that same journey. I have been truly blessed by the Great Architect.

We have a strange year still ahead of us unlike any have ever experienced before. I know that with the help of the Great Architect and all of you, we will meet and succeed with our goals.

We plan to start our fall season with our now-traditional Table Council on Wednesday, September 2, with a donation of \$5 for dinner going to our Diabetic Kids Fund. We hope you will want to attend, but only if you feel comfortable. Our dining room (and Lodge room for that matter) are plenty large to allow for social distancing, and we want everyone to wear masks (when not eating).

Due to the COVID-19 pandemic, in-person Masonic meetings in Ohio ceased in mid-March; and we did not meet in April. In line with the rules established by our Grand Council and Grand Lodge, we held our May election assembly and June Annual Assembly and Installation of Officers electronically on the Zoom platform. We were privileged to have our Grand Illustrious Master Grover Manning connect to both assemblies, and he graciously installed our officers by declaration, which was possible since I had previously been installed as an Illustrious Master.

Our 7th Arch fundraising projects were also cancelled. The June WonderStruck music festival (formerly LaureLive) was postponed to September and then cancelled until next June 2021. The Medina County Fair was cancelled, then un-cancelled, then restricted to a junior fair only without the need for ticket sellers.

The annual Grand Council Assembly in October has been cancelled as an in-person event and is being replaced with a Zoom meeting.

On the plus side, our local Camp Ho-Mita-Koda for diabetic kids was able to operate this summer under the guidelines of the State of Ohio.

Because our fundraisers were cancelled and our diabetic kids still need us, please consider making a special donation this year to our Diabetic Kids Fund.

As Brother Vasilios Karpos once stated, "The strength of Freemasonry is in its Loyalty to each other."

With that in mind, please join us at each of our meetings (on the first Wednesday of each month) as we work the quarries for this year.

Thank You All.

Commander's Message

Sir Knights:

We hope you are safe and well. By order of our Grand Encampment, we have not met in-person since our March conclave; and it seems doubtful that in-person Commandery events will resume in 2020. But we'll see.

In the meantime, using the procedures authorized by our Grand Encampment, Grand Commandery and Grand Lodge, we held two virtual conclaves, one in May for our elections, and one in June for our Annual Conclave and Installation of Officers. Virtual conclaves via Zoom appear to be around for a while longer. The annual Grand Commandery in October is cancelled as an in-person event, to be replaced by a virtual session to conduct necessary business.

In the meantime, you are encouraged to stay active in your Lodge and other Masonic memberships, whether in-person or electronically.

Palm and Shell, Oriental Order of the

The object of the Masonic Holy Land League, in whose membership the Pilgrim Knights of the Palm and Shell were enrolled, was to encourage researches commenced in 1863 under the leadership of Brother Rob Morris in the Holy Land. These investigations into the traditions and practises of the ancient Craft in the East, were supported in 1867 by contributions amounting to \$10,000.00 and an organization was effected of Master Masons. A ritual was prepared to include various signs, words and ceremonies, obtained by Doctor Morris from Eastern Freemasons. The instruction was divided into the following parts: Preliminary, Covenanting, Drama, Means of Recognition, and a funeral ceremony for Pilgrim Knights. Rev. Henry R. Coleman, of Kentucky, became Supreme Chancellor of the Order and in 1906 he published at Louisville, for the Society, a guide to the ceremonies and lectures entitled the *Pilgrim Knight*. Among other items of interest he describes the formation of a Lodge, the Royal Solomon, at Jerusalem, conditionally promoted by Doctor Morris in 1868, but actually authorized (see page 27) by a Warrant from the Grand Lodge of Canada, William Mercer Wilson, Grand Master, and attested by Thomas White, Jr., Deputy Grand Master, on February 17, 1873; the organizing meeting occurring in the quarries under Jerusalem on May 7, 1873. Brother Coleman says (page 29): "Under this authority, a delegate went from the United States to Jerusalem and calling together a competent number of those named in the Warrant, and others, the Lodge was regularly and constitutionally organized and has had many years of prosperous existence up to the issuance of this volume." The first Degree was conferred at the Mediterranean Hotel, after which a Lodge-room was established near the Joppa Gate.

President's Message

My Dear Sisters:

It has been such a long time since we have been able to greet each other in person. After our March meeting, due to the corona virus Governor DeWine closed everything down. Since then, like yourselves, I have spent much time in self isolation to try to stay healthy. For me it has been extremely hard, as I am such a people person; and I sort of went into a funk. I truly feel like Spring and Summer just went by and at the same time like they never happened. Things have slowly gotten better in some regards as we get used to living this "new normal" and venture out a little more but still with caution. It reminds me of testing the water with our big toe to see how cold it is. It is my hope that you and your families are well and safe and have all remained in contact with each other. I have received some wonderful emails, and I see you active on Facebook.

Since we now have permission to hold virtual meetings, I am planning on holding a ZOOM meeting on our regular meeting date of September 9. If you do not already have ZOOM, please download; and, about a week before the meeting, I will send you the necessary link. The download is free.

I have tried to keep in touch through emails, telephone calls and on Facebook. Please know, my dear sisters, that I miss each and everyone of you and pray for your well being. I do continue to send out birthday and membership anniversary cards. You are all in my thoughts and prayers. During our upcoming meetings through the end of the year at least, I am planning on holding only virtual meetings due to the age of most of our members; and many of us have additional health issues that put us at even greater risk.

Our schedule for the up coming months is as follows:

Sept 9 7:00p Virtual Stated Meeting. Installation of Remaining Officers.
Oct 14 7:00p Virtual Stated Meeting.
Nov 11 7:00p Virtual Stated Meeting. Honor Our Veterans
Dec 9 7:00p Virtual Stated Meeting. Celebrate Christmas Together.

We have been asked to remain in our current stations for the year 2021 as well. When I signed on as president, I didn't plan on serving for 2 years; but sometimes we are called to do things above and beyond what is normal and usual. These are very different times, and things are very different for all of us. I would ask that each of you consider staying on in your installed position for the year 2021 as well.

Please continue to remember to support our charities and also to share our beautiful Order with family that are available to join.

My dear sisters, I look forward to seeing each of you on September 9, at 7:00p. Please bring a smile and lots of patience as, like everyone else, I am learning things mostly by trial and error. We may have some hiccups; but, as Gov. DeWine keeps telling us, we will get through this; and we are in it together.

Looking forward to seeing all of you soon.

Sloane Manuscripts

There are three copies of the *Old Constitutions* which bear this name. All of them were found in the British Museum among the heterogeneous collection of papers which were once the property of Sir Hans Sloane.

The first *Sloane Manuscript*, which is known in the Museum as No. 3848, is one of the most complete of the copies extant of the *Old Constitutions*. At the end of it, the date is certified by the following subscription: *finis p. me Eduardu Sankey decimo sexto die Octobris Anno Domini 1646*. It was published for the first time, from an exact transcript of the original, by Brother Hughan in his *Old Charges of the British Freemasons*.

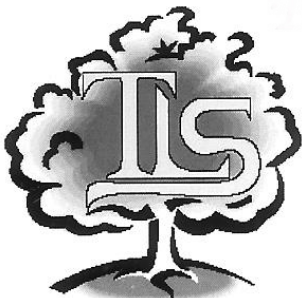

The second *Sloane Manuscript* is known in the British Museum as No. 3323. It is in a large folio volume of three hundred and twenty-eight leaves, on the fly-leaf of which Sir Hans Sloane has written, "Loose papers of mine Concerning Curiosities." There are many manuscripts by different hands. The Masonic one is subscribed thus with the date and name of the writer, *Haec scripta fuerunt p. me Thomam Martin, 1659*, and this fixes the date. It consists of three leaves of paper six inches by seven and a half, is written in a small, neat hand, and endorsed *Free Masonry*. It was first published, in 1871, by Brother Hughan in his *Masonic Sketches and Reprints*. The Rev. Brother A. F. A. Woodford thinks this an "indifferent copy of the former one." But this seems unlikely. The entire omission of the Legend of the Craft from the time of Lamech to the building of the Temple, including the important Legend of Euclid, all of which is given in full in the other manuscript, No. 3848, together with a great many verbal discrepancies, and a total difference in the eighteenth charge, would lead one to suppose that the former manuscript never was seen, or at least copied, by the writer of the latter. On the whole, it is, from this very omission, one of the least valuable of the copies of the *Old Constitutions*.

The third *Sloane Manuscript* is really one of the most interesting and valuable of those that have been heretofore discovered. A portion of it, a small portion, was inserted by Findel in his *History of Freemasonry*; but the whole has been since published in the *Voice of Masonry*, a periodical printed at Chicago in 1872. The number of the manuscript in the British Museum is 3329, and Brother Hughan places its date at from 1640-1700; but he says that Messrs. Bond and Sims, of the British Museum, agree in stating "that it is probably of the beginning of the eighteenth century." But the Rev. Brother Woodford mentions a *great authority*, Wallbran, on manuscripts who declares it to be "previous to the middle of the seventeenth century." Findel thinks it originated at the end of the seventeenth century, and "that it was found among the papers which Doctor Plot left behind him on his death, and was one of the sources whence his communications on Freemasonry were derived." It is not a copy of the *Old Constitutions*, in which respect it differs from all the other manuscripts, but is a description of the ritual of the Society of Free Operative Masons at the period when it was written. This it is that makes it so valuable a contribution to the history of Freemasonry, and renders it so important that its precise date should be fixed.
