## Back to the Future—An Evolutionary Tale

Original 1916 Windows

Converted Windows

New 2010 Windows

We are delighted to report that, as this issue went to press, our 29 new Lodge Room Balcony level windows have just been installed. We call this a “back to the future” project for two reasons. First, we have restored the original historic appearance of this set of windows by returning to the original 1916 leaded glass configuration, the original leaded units having been replaced by glass squares several decades ago. Second, our original steel-frame windows have now been replaced with modern, energy efficient windows.

Our companion project, tuck pointing the balance of our exte-

rior masonry, is scheduled to begin as soon as weather permits, probably in March.

Collectively these projects will cost our Foundation approximately \$75,000. Since we are participating in the City of Lakewood’s Commercial Property Revitalization Program, we will receive a 40% rebate grant of approximately \$30,000, making our net cost approximately \$45,000. We are grateful to Ann Rutledge Chapter O.E.S., Lakewood Lodge F. & A. M., several large individual donors and many smaller donors to make these vital projects possible.

But there is still more to be

done to close the loop on these projects; namely, to repair interior damage to plaster and decorative painting caused by years of water ingress, the worst of which is pictured above. This corner of our Lodge Room Balcony suffered from a triple whammy of leaks from our old windows, our old gutters (replaced in 2005), and our old chimney flashing (replaced in 2008).

You can help close the loop by making a donation of any amount to our Lakewood Masonic Foundation (use the form on page 11). Donations are deductible for federal tax purposes to the extent permitted by law.

## In-Kind Contributions

They're easy to overlook but nevertheless valuable. But what are they?

We are used to tracking donations of cash, checks, stocks, bonds and other financial instruments. We record these in our accounting systems. They become part of our annual financial reports. In-kind contributions, however, can be trickier to track. They may come in the form of volunteer labor or donated goods. Our Lakewood Masonic Temple benefits from many in-kind contributions that often go unnoticed by a typical member or visitor.

In recent years many of our electrical, plumbing and other maintenance needs have been met by our volunteer duo of Charles Burkett and Bob Phinney; others by Dick Van Hala. Temple Company Treasurer George Bohnert puts postage on most of our Temple Company check payments, and President Bob Niebaum supplies copies and postage for general correspondence; neither ask for reimbursement. There are no doubt other instances that fly under our radar. But, collectively, in-kind contributions such as these have saved our Temple Company many thousands of dollars over the years.

You should also know that all of the officers and members of our Temple Company and Foundation Boards of Trustees (listed to the right), including our Rental Agent and Editor, are purely volunteers who provide countless hours of service to our Lakewood Masonic Family without pay.

Do you have skills and experience to donate that might be valuable to us? Let us know. And we'll try to do a better job of recognition.

## Need Chairs?

The Lakewood Masonic Temple Company has perhaps three dozen unneeded chairs waiting to be adopted by deserving homes or businesses. These chairs are available immediately and are available as a full lot or in smaller quantities until they are gone. The wood frames are stained a medium brown, and the upholstered backs and seats are orange. All are very sturdy. Some could be used as is, while others would benefit from being re-upholstered. Buyers must pick up the chairs at the Temple and provide their own transport. ## Master's Message

Brethren:

Our year got off to an exciting start with the receipt of new petitions for membership and with our annual Children's Christmas party held jointly with Lakewood Lodge, complete with a visit from Santa (who looked uncannily familiar!).

Our March 11 Stated Meeting will be complemented by a visit from our District Education Officer David Hildebrandt who will present the entertaining and challenging participation program "Are You Smarter Than An Entered Apprentice?" Come and be on the winning team! On March 25 we will raise one brother to the Sublime Degree of a Master Mason. Can you help on our Fellowcraft Team? We are always seeking both new recruits and seasoned veterans to join us on these most special occasions. Call Wor. Bro. Bob Wykoff at 440.835.4199 to volunteer. As you will recall, there are many roles requiring no memorization.

Our annual Inspection will be on Thursday evening, April 8, in the Fellowcraft Degree, with **Lodge opening at 7:15p**. Last year our Lodge received special recognition for our Entered Apprentice Degree. We are working to repeat this level of excellence again this year. Come and see!

We continue to confer degrees on several candidates in progress, so we have scheduled degree work for our usual Special Meeting nights on March 25 and April 22. We may also add degree work to some Stated Meeting nights and/or schedule extra Special Meeting nights if necessary. What a nice problem to have! Stay current with our calendar by coming to Lodge or visiting us at [www.lakewoodmasonicfoundation.org/calendar664.htm](http://www.lakewoodmasonicfoundation.org/calendar664.htm).

On May 27 we will honor our veteran members with emblems for 25, 40, 50 and more years of service to our Fraternity. Members in each of these classes will shortly receive a letter from our Lodge Secretary. Please respond promptly. On the same night we will honor our Past Masters and conduct a memorial service for our deceased members. The dinner and the bulk of the evening will be open to family and friends. Come and meet with your brethren, old and new, and take a peek at our new windows!

We also look forward to our annual visitation to Trinity Lodge #521 in Windsor, Ontario, on May 28-30. This will be our first visitation following the three-way merger of Dominion Lodge #598, with whom we have exchanged visits for more than four decades; Ontario Lodge #521; and Palace Lodge #604 into Trinity Lodge #521. While the central purpose of our trip is to attend the annual Installation of the Worshipful Master and Investiture of Officers, we also enjoy our fraternal associations at Friday and Saturday evening social events and Sunday brunch. Never seen the Ontario ritual? Now's your chance! Details will be available at Lodge this Spring.

Our spring season will wrap up with a Table Lodge on June 24.

## Master's Message

Brethren:

This year has been especially challenging. We have new members, and they are young with great enthusiasm. That is a very good thing and pleases us. However, we are an old Lodge with a majority of the members not only old and retired but residing in all parts of the country. Our challenge is to marshal and utilize those showing enthusiasm and energy to center not just on ritual work, but also to develop and promulgate the philosophy and advocacy of belonging to the Masonic Community. We have plans for the summer to publicize the charitable work the Lodge does by having an open house with music, entertainment and personnel ready to answer any questions and introduce possible members to join our institution. This will be held in complete cooperation with Clifton-Gaston Allen Lodge to form a solid Masonic presence in our city.

## Gates of the Temple

In the system of Freemasonry, the Temple of Solomon is represented as having a gate on the east, west, and south sides, but none on the north. In reference to the historical Temple of Jerusalem, such a representation is wholly incorrect. In the walls of the building itself there were no places of entrance except the door of the porch, which gave admission to the house. But in the surrounding courts there were gates at every point of the compass. The Masonic idea of the Temple is, however, entirely symbolic. The Temple is to the Speculative Freemason only a symbol, not a historical building, and the gates are imaginary and symbolic also. They are, in the first place, symbols of the progress of the sun in his daily course, rising in the East, culminating to the meridian in the South, and setting in the West. They are also, in the allegory of life, which it is the object of the Third Degree to illustrate, symbols of the three stages of youth, manhood, and old age, or, more properly, of birth, life, and death.

## Matron's Message

Sisters and Brothers:

It's finally springtime, and with the sun and the birds we all are finally peeking out of our houses and checking out the warmth. Spring heralds youth and hope and new beginnings.

We are so very happy to see the new window installation. This is a beginning for the Masonic family here at LMT. We've also been busy helping some of the children in the Cleveland area by giving to The Cleveland Christian Children's Home and Berea Children's Home. We have had speakers from the Cleveland Sight Center and Laura's Home.

Spring brings out the Busy Bees, and this one will be very busy for us. This is the time that we start planning for the Lakewood Art Festival. Once again we will be pleading for help from all our Masonic family. Our Bazaar and Open House has been growing at a pretty fast rate, and any help we get reflects on all of us. So mark your calendars for the first Saturday in August. Please contact Ann Mollick or me if you wish to help.

This past Christmas we had the Giving Tree up in the Library, and a heart felt Thank You goes out to all who contributed. I personally witnessed the Elves with the packages in their workroom right before the holiday. It was a wonderful feeling to know that we were a large part of that exciting time of year for so many children.

Please mark your calendars for the last meeting before the summer break, June 16. We will be honored with a visitation by Worthy Grand Matron Jan Goerss. Since this is such a special day we will also have a sister-neighbor day. If you don't usually come to meetings, this will be a fun one.

## High Priest's Message

Companions:

Freemasonry has been the subject of well over 50,000 books, all written after the creation of the first Grand Lodge in 1717. All of these books and pamphlets write as experts concerning the Craft. York Rites and Scottish Rites are, of course, included in this list.

The traditions of Freemasonry are a mixture of mystical legend and historical fact. Herein are such facts found in all of Masonry.

There is evidence that the craft guilds were in existence prior to the Norman Conquest (1066) of the British Isles. Within thirty years of the conquest there were more than 5,000 new churches, all being similar in size, proportion and layout throughout the British Isles.

Freemasonry is a 700-year-old fraternity with a 3,000-year-old tradition. It is the oldest, largest, and most widely known fraternal organization in the world, and the prototype of most modern fraternal societies and service organizations. The Fraternity is now composed of a series of groups or communities known as Lodges. This unit of organization may consist of a few dozen or several hundred members, and each Lodge respectively owes allegiance to a Grand Lodge or Grand Orient. Today there are over six million Masons in the world, and over half of these are in the United States. There are over 30,000 Lodges in the world, and more than 100 Grand Lodges. There is no central authority, although world recognition is maintained among most of the Grand Lodges.

The one basic principle of all Freemasonry lodges is the belief in the existence of a Supreme Being or Creator, in whose Name every Lodge is conducted; and subject to the confession of that belief, the follower of any theistic religion is acceptable as a member.

When the *creation* of the world is expressed in allegorical terms the most obvious are those of building, and the Creator is the Builder or Architect. The precision of mathematical instruments carries with it its own moral and spiritual connotations, belonging to the gospel of rightness, and that imagery is found in ancient Chinese classics and in Masonic Rituals. This could *imply* that the authors of both had a common source in symbolism.

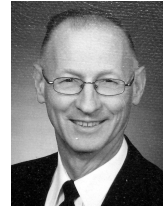

Freemasonry has been banned in some places and flourished in others. Its members have played a significant part in major historical events, including the founding of the United States and the French Revolution. Its members are famous for their willingness to extend the hand of friendship

## Master's Message

Companions:

I hope everyone's Holiday was happy and spent with family and friends. I had the opportunity to be surrounded by my children and their families (9 grandchildren), which made the days go by quickly; but the family warmth was worth it.

The New Year started here in Council with our annual Inspection, which stressed me out because sometimes it is difficult to host such an event not having all the necessary personnel who are needed in accomplishing the degree. But with Companions like David Foyer this was a little easier. I would like to thank Illustrious Companion Foyer and everyone else who helped in one way or another by contributing to this successful event. Our candidate was from Niles Council # 130, thanks to Illustrious Master James C. Cunningham. Through this I hope that we have impressed our two new companions so they will continue to regularly attend meetings.

Good news: Our Lakewood Council # 125 continues grow thanks to your extra effort.

## Companion

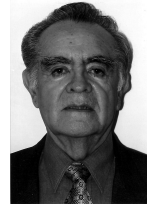

A title bestowed by Royal Arch Masons upon each other, an equivalent to the word *Brother* in Symbolic Lodges. It refers, most probably, to the companionship in exile and captivity of the ancient Jews, from the destruction of the Temple by Nebuchadnezzar to its restoration by Zerubbabel, under the auspices of Cyrus. In using this title in a higher Degree, the Freemasons who adopted it seem to have intimated that there was a shade of difference between its meaning and that of *Brother*. The latter refers to the universal brotherhood of man; but the former represents a companionship of common pursuit of one object—the common endurance of suffering or the common enjoyment of happiness. *Companion* represents a closer tie than *Brother*. The one is a natural relation shared by all men; the other a connection, the result of choice and confined to a few. All men are our Brethren, not all our *companions*.

## We Receive the Charter

Operating under the Grand Commandery dispensation dated October 9, 1919, the Commandery continued its seemingly frenetic activity. On February 25, 1920, with 29 nine Sir Knights present and meeting at 3:30 in the afternoon, seventeen "Companions were introduced and created and constituted Companions of the Illustrious Order of the Red Cross." Continuing, "a Priory of Knights of Malta was opened and those in waiting were constituted Knights of St. Paul of the Mediterranean Pass, and made Knights Hospitalier of St. John of Jerusalem, Palestine, Rhodes and Malta."

In March the Commandery accepted an invitation to attend the Easter Services at the Old Stone Church in Cleveland in company with the Cleveland Commanderies. On April 4 eighty two Sir Knights were present.

On April 21 the Commandery experienced its first Inspection. There were 140 members and visitors present. The Inspecting Officer was Right Eminent Sir Knight Nelson William, Past Grand Commander.

The Commandery completed its first year of operation with one hundred forty members and an average attendance of forty.

In July the Commandery was invited to join with other Commanderies in forming an escort to the Officers of the Grand Lodge at the ceremony of laying the cornerstone of the new Masonic Temple being erected at 3615 Euclid Avenue; and was pleased to participate.

In August a gift of one hundred dollars was received from Lincoln Chapter, Order of Eastern Star. Said gift was immediately employed to purchase the Flag of Our Country for display in the East.

In anticipation of the seventy-eighth Conclave to be held in Cincinnati in September, the Band Committee was allotted one thousand dollars to secure a band; and the Entertainment Chairman was advanced five hundred dollars.

Eighty two Sir Knights and their ladies attended the Conclave traveling to Cincinnati by special train. On September 16 the Commandery received its Charter.

In December the Ceremony of Constitution of Holy Grail Commandery was held by the entire Grand Officers and attended by some two hundred members and visitors. Further in December, during a Stated Meeting, a Recess of thirty minutes was taken for drill.

In January at a Special Meeting at 3:30 and with sixty five Sir Knights present, the usual degree work was carried out; and following the work a banquet was served to the Sir Knights and their ladies with the evening devoted to entertainment and dancing.

## Honorary Members

It is a custom in some Lodges to invest distinguished Freemasons with the rank and title of *honorary membership*. This confers upon them, as the by-laws may prescribe, sometimes all the rights of active membership and sometimes only the right of speaking, but always without the exaction of annual dues. Nor does honorary membership subject the person receiving it to the discipline of the Lodge further than to a revocation of the honor bestowed. The custom of electing honorary members is a usage of very modern date, and has not the sanction of the old *Constitutions*. It is common in France; less so, but not altogether unknown, in America and England. Oliver, in the title of one of his works, claimed honorary membership in more than nine Lodges. It may be considered unobjectionable as a method of paying respect to distinguished merit and Masonic services, when it is viewed only as a local regulation, and does not attempt to interfere with Masonic discipline. A Freemason who is expelled forfeits, of course, with his active membership in his own Lodge, his honorary membership in any other Lodge.

# Lakewood Chapter Order of DeMolay

*Stated Meetings First & Third Thursdays 7:30 p.m.*

Lakewood DeMolay meets on the first and third Thursday of each month, and all Master Masons are encouraged to visit at any meeting. Membership is open to young men aged 12 to 21. No Masonic affiliation is required for membership other than to be sponsored by a Mason. If you know of a young man who would be a good DeMolay and who would enjoy the great experience that is DeMolay, please contact Chapter Advisor Dad Craig Haskett at 440.892.1738 or [bvhomeloans@yahoo.com](mailto:bvhomeloans@yahoo.com). Dad Haskett will also be pleased to arrange for the donation of your unused tuxedo and formal shirt to a deserving DeMolay officer, thus easing the financial burden on the young man's family.

## High Priest's Message

*(continued from page 6)*

to fellow Masons, regardless of class, color or creed, or whichever Masonic tradition they follow.

As HRH the Duke of Kent, Grand Master of the United Kingdom of the United Grand Lodge of England has written, "Each [Lodge] developed in its own way with its own traditions and differences, but all subscribe to the same basic principles of Brotherly Love, Relief and Truth. Among [its members] have been some that were, and are, prominent in various areas of life and whose work and ideas have materially affected or greatly enriched the lives of mankind in general."

The Masonic ideals of truthfulness, tolerance and of the nobility of the human soul are completely in accordance with the tenants of most of the world's religions. This fact, though, has not stopped Freemasonry from being attacked by various religions and totalitarian governments.

Most Freemasons, however, are or have been ordinary men who have attempted to live their lives by the practical lessons of morality, duty and service which they have learned in their lodges. And what could be a more fitting tribute to Freemasonry than that?

Travel in Wisdom and Strength of Spirit and you shall find that which you seek.
