Lakewood Masonic Temple Company Turns 100

On May 14, 1912, five Lakewood Masons met to subscribe to (sign) the Articles of Incorporation of The Lakewood Masonic Temple Company. They were P. H. Keese, A. M. Hall, A. C. Bagnall, L. R. Smith and H. N. Pleasance. The Articles defined the purpose of the Company as follows:

“Said corporation is formed for the purpose of erecting, equipping and maintaining a home or Masonic Temple for the Free and Accepted Masons of Lakewood, Ohio, and vicinity, providing them with suitable Lodge, club and reception rooms therein, and doing all and singular the acts required and proper in the erection, equipment and maintenance of such a building; renting or disposing of all or any part of the same not used for Masonic purposes.”

The Articles were filed with and accepted by Ohio’s Secretary of State on June 5, 1912, and the Temple Company was underway.

The Company was created as a corporation for profit as was customary at the time for organizations of this sort, even if the organization intended to retain all of its surplus revenues for its own growth and development and had no plans to pay dividends to individual shareholders. The original capital stock was established at \$20,000 – 2,000 shares at \$10 per share. [Editor’s Note: The Company intended to change to a not-for-profit corporation as early as 1932 but did not do so until December 31, 1984, at which time all outstanding stock certificates were cancelled and declared null and void.]

On June 10, 1912, the incorporators met at the then-Masonic Hall, at the corner of Warren Road

and Detroit Avenue, at 7:30p, according to the corporate minutes, “to order the opening of the books of subscription to the capital stock of the said THE LAKEWOOD MASONIC TEMPLE COMPANY, to fix the time and place for such opening, and to waive the notice of such opening as required by law, and having agreed upon such time and place, the following order for, and waiver of notice of the opening of such books of subscription was made in writing by all of the subscribers to the Articles of Incorporation of THE LAKEWOOD MASONIC TEMPLE COMPANY.”

The original subscribers were the then-existing Lakewood Masonic organizations—Lakewood Lodge #601 F&AM, 50 shares; Cunningham Chapter #187 RAM, 30 shares; Lincoln Chapter #309 OES (now part of Ann Rutledge Chapter #453 OES), 20

Parking Lot Construction Underway

Near-term visitors to our Lakewood Masonic Temple may encounter a few temporary inconveniences in and about our parking lot. Levey & Company, the new owner of the Lakewood Plaza shopping center immediately west of us, is in the process of making major upgrades. The Plaza's Detroit Avenue façade is undergoing a complete facelift.

The angled parking spaces on Detroit are being removed to restore the original building setback and accompanying wider sidewalk. Drug Mart is remodeling and expanding its space at the Plaza's far end; while the space nearest us is being

re-configured for new tenant Quaker Steak & Lube which will include a front sidewalk patio for outdoor dining.

The original parcel of land our Temple Company purchased in 1913 upon which to construct our Temple was 100 feet wide along Detroit Avenue and 200 feet deep along Andrews Avenue, just large enough to build our building as we know it today and incorporating the various setbacks specified in the sales transaction. In 1928 we purchased the two Andrews Avenue lots immediately behind our building, perhaps in anticipation of constructing an addition (for which we have drawings) that would have doubled the size of our building. Since automobiles were replacing walking, bicycles and streetcars as a primary mode of transportation, the two lots were re-graded for parking; sewers, lights and entry drives installed; and the lots surfaced with slag.

In 1944, we purchased the next contiguous Andrews Avenue lot and two-family house thereon from its individual owner. In a negotiated arrangement, shopping center owner Madison Center

1326-28 Andrews as it looks in 2012.

Improvement Company sold us an empty lot further north at 1326-28 Andrews, just south of the railroad tracks, to which the 1366-68 house was moved and then sold. We granted MCIC an easement across a portion of our new empty lot for the purpose of constructing a driveway ramp from Andrews to the

shopping center's parking lot. In return, we received the permanent right to use the shopping center's lot for overflow parking.

Master's Message

Brethren:

Greetings from the East! My year as Master has gone by so fast. It seems that once you start to get comfortable in the chair your year is over. So far this year since our last communication we have passed a few brethren and raised one. I want to congratulate Bro. Haywood, our newest Master Mason.

By the time you read this we will have had our annual PM/Awards/Memorial Night. We presented 40 year awards to WB Bob Wykoff, RWB Bob Niebaum and Bro. Bill Scholz of Phoenix, Arizona, who happened to be visiting RWB Niebaum and was therefore able to attend our Lodge for the first time since 1979. I congratulate these brethren for their continued commitment to Masonry. I want to thank all the Brethren who took part and especially thank our DDGM and DEO for their presence.

Niebaum, Scholz, Martinez, Wykoff

I want to report that we passed our Inspection and hope that we did well enough to be recognized at the annual awards meeting in June.

We have only two meetings left before we go dark. At our June 14 stated meeting we will have a performance by the Scottish Rite choir. Our annual Table Lodge will be held on June 28; please come and join us.

At this time I would like to thank all the Brethren who have assisted me during my year—RWB Niebaum, RWB Whitehouse, WB Acklin, WB Wykoff, RWB Van Scyoc, WB Fierst, WB Wagner, WB Szalay and of course all of my line officers. My year in the East has been less stressful with your assistance. Three humble bows of appreciation.

Dove

In ancient symbolism, the *dove* represented purity and innocence; in ecclesiology, especially in church decorations, it is a symbol of the Holy Spirit. In Freemasonry, the dove is only viewed in reference to its use by Noah as a messenger. Hence, in the Grand Lodge of England, doves are the jewels of the Deacons, because these officers are the messengers of the Masters and Wardens. They are not so used in America. In an honorary or side Degree formerly conferred in America, and called the *Ark and Dove*, that bird is a prominent symbol.

Master's Message

New Candidates

What have you come into Freemasonry to find? To obtain worldly advantages—you will be extremely disappointed. To only join for pleasures enjoyed in a social club, you will miss the entire purpose and objectives of the Fraternity. Masonry unites whatever religious belief one has and enriches it further with a true belief in God. The symbols of Masonry along with the instructive ceremonies provide experiences that impress upon the mind principles of conduct along with emotional and mental attitudes.

The historical settings reintroduce the candidate to a bygone age that was filled with the same experiences that the present day candidate may face in the work-a-day world today. Its roots and foundations are as solid and firm as they were when the Fraternity was formed. Thanks to the careful nurturing of many past Masons the up-keep of the standards of the ritual were preserved.

Proper mental attitudes can be fixed by having those with extensive Masonic experience guide and direct new candidates. By satisfying inquiries with explanations of various experiences and symbols so closely related to what one has just experienced re-enforces what will lay the foundation to further interest in Masonry.

Proper etiquette can be cultivated by observing the conduct of those in Lodge seniority. As all associations must have order to maintain the correct order and respect to senior officers, there must be rules and regulations to abide by so one can make no mistakes through ignorance—so please ask your Worshipful Master if in doubt.

With an inquisitive mind one can seek out and find a wide array of information to cultivate and apply to one's daily activities.

What have you got to give to Freemasonry?

Five-Pointed Star

The *five-pointed star*, which is not to be confounded with the blazing star, is not found among the old symbols of Freemasonry; indeed, some writers have denied that it is a Masonic emblem at all. It is undoubtedly of recent origin, and was probably introduced by Jeremy Cross, who placed it among the plates in the emblems of the Third Degree prefixed to his *Hieroglyphic Chart*. It is not mentioned in the ritual or the lecture of the Third Degree, but the Freemasons of the United States have, by tacit consent, referred to it as a symbol of the *Five Points of Fellowship*. The outlines of the five-pointed star are the same as those of the pentalpha of Pythagoras, which was the symbol of health. M. Jomard, in his *Description de L'Egypte* (tome viii, page 423) says that the star engraved on the Egyptian monuments, where it is a very common hieroglyphic, has constantly five points, never more nor less.

Stated Meetings First & Third Wednesdays 1:30 p.m.

Matron's Message

Can you believe that June is finally here? What a wild Spring we had this year – 70+ degree days in March and freezing days in April. Somehow the calendar got turned around. Thank goodness May finally arrived and we got back to the kind of weather we should be having.

Thank you to Joan Bechtold, Associate Matron, for filling in for me at our only April meeting while I was having some minor knee surgery. I understand they made a presentation of several boxes of food and non-perishable items to the Cleveland Food Bank, along with a check.

On May 2 we had our Inspection of Officers by the Deputy Grand Matron, Beverly MacDonald. All of our officers did beautiful work, as always. It was nice to see the room filled and, of course, all the beautiful music by Sister Elaine Hammond!

Please keep our Sister Ann Mollick in your prayers as she goes through a recovery period following major surgery.

During the first quarter of this year, we had the following members pass "to their heavenly reward:" **Thelma Fryer**, January 18; **Ann Eichwald**, January 26; and **Josephine Gaydos**, February 21. Josephine was a 65 year member of Ann Rutledge Chapter. They may be gone, but not forgotten!

At our September 5 meeting, we will be presenting Service Pins to members who have achieved many years of service. They are: 65 years—**Audrey Cheiky** and **Elizabeth Hodges**; 60 years—**Wanda Harrison** and **Ann Sikula**; 50 years—**Janet Fair** and **Ann Mollick**; 40 years—**Mary Alice Cush**; and 25 years—**Nancy Rote**. Come and celebrate these milestones with us on September 5.

We are looking forward to June and our Annual Meeting. It would be so nice to have a lot of our members attend that meeting as we elect our upcoming officers. Won't you please come and support your officers?

Ken and I would like to take this opportunity to wish everyone a very safe, happy and healthy summer; and we hope to see everyone at the summer events. Then come back in September and help us finish out our year. Safe travels for those on the road!!

Cunningham Chapter #187 R. A. M.

Stated Meeting Fourth Wednesday 7:30 p.m.

High Priest's Message

Companions:

This should be my last message as the Excellent High Priest of Cunningham Chapter #187 Royal Arch Masons of Ohio. I have been greatly honored to have been elected and installed as the Excellent High Priest of Cunningham Chapter. It is with sadness, on my part, that I could not get the Chapter to rally. The Grand Chapter will not grant another dispensation which would permit me to continue as the presiding officer of this Chapter. I must point out that my great-grandfather was a member of this fine Chapter, and because of this I will always carry a special fondness for this Chapter.

There are other Royal Arch Chapters here on the west side. When we compare our Cunningham Chapter to the others we find that the Lakewood Masonic complex has the finest building and equipment for portraying the various degrees of any Masonic complex in this area. Our equipment and building is the finest in the area because our building was designed and built for the degrees in Masonry.

If we wish to keep our Chapter alive and be a source of Masonic Knowledge, we must reach out to the Blue Lodges in the area and let them know that there is more Masonic Knowledge available here at Cunningham. I have heard that there are other Royal Arch Chapters that are located on the west side that are also in trouble. We should make it known that the Lakewood Masonic complex is here and we would be happy to accept them into our Chapter. Thank you again.

Capstone,

or, as it might be called, the *cope-stone*, the topmost brick or stone in building (but the former word has been consecrated to us by universal Masonic usage), is the topmost stone of a building. To bring it forth, therefore, and to place it in its destined position, is significative that the building is completed, which event is celebrated, even by the Operative Freemasons of the present day, with great signs of rejoicing. Flags are hoisted on the top of every edifice by the builders engaged in its construction, as soon as they have reached the topmost post, and thus finished their labors. This is the *celebration of the capstone*—the celebration of the completion of the building—when tools are laid aside, and rest and refreshment succeed, for a time, labor. This is the event in the history of the Temple which is commemorated in the Degree of Most Excellent Master, the sixth in the American Rite. The day set apart for the celebration of the capstone of the Temple is the day devoted to rejoicing and thanksgiving for the completion of that glorious structure. Hence there seems to be an impropriety in the ordinary use of the Mark Master's keystone in the ceremonies of the Most Excellent Master. That keystone was deposited in silence and secrecy; while the *capstone*, as the legend and ceremonies tell us, was placed in its position in the presence of all the Craft.

Stated Meeting First Wednesday 7:30 p.m.

Master's Message

Companions:

It is difficult to believe that my year as Master of Lakewood Council is almost complete. We are fast approaching the end of another successful year at Lakewood Council. We also have another new member, Gary Gardner. Gary was our Annual Inspection candidate this year. He is very excited to now be included as a Royal & Select Companion.

Thank you so much to all of the Officers, Companions and Ladies that attended and helped with our events and assemblies. I must say that we ate well at our dinners, and I appreciate the friendships that we have made.

Once again Illustrious Companions Cecil Hamilton and Henry Rees have received complements by our inspecting officer, Right Illustrious Thomas R. Johnson, 7th Arch Inspector, for doing a fine job as Recorder and Treasurer, respectively. All officers were also thanked by Tom for their steady attendance over the last few years. Congratulations to all!

This year has been a real learning experience for me, and we have had more interaction with our Grand Body than I can ever remember. The Most Illustrious Grand Master's theme for this year is "You Never Touched Someone So Lightly, as Not to Leave a Trace." So true...without a doubt.

I know that the dedicated Officers and Companions of Lakewood Council will continue to help and support our Illustrious Master for next year (and years thereafter), whoever is elected.

Society of the Trowel

Vasari, in his *Lives of the Painters and Sculptors*, and referring to the life of G. F. Rustici, says that about the year 1512 there was established at Florence an Association which counted among its members some of the most distinguished and learned inhabitants of the city. It was the *Societa della Cucchiara*, or the *Society of the Trowel*. Vasari adds that its symbols were the Trowel, the Hammer, the Square, and the Level, and had for its patron Saint Andrew, which makes Reghellini think, rather illogically, that it had some relation to the Ancient and Accepted Scottish Rite. Lenning, too, says that this Society was the first appearance of Freemasonry in Florence. It is to be regretted that such misstatements of Masonic history should be encouraged by writers of learning and distinction.

The perusal of the account of the formation of this society, as given by Vasari, shows that it had not the slightest connection with Freemasonry. It was simply a festive association, or dinner-club of Florentine artists; and it derived its title from the accidental circumstance that certain painters and sculptors, dining together in a garden, found not far from their table a mass of mortar, in which a trowel was sticking. Some rough jokes passed thereupon, in the casting of the mortar on each other, and the calling for the trowel to scrape it off. Whereupon they resolved to form an association to dine together annually, and, in memorial of the ludicrous event that had led to their establishment, they called themselves the *Society of the Trowel*.

Parking Lot Construction Underway

(continued from page 2)

The present shopping center upgrades affecting our property involve the Plaza driveway ramp at the rear of our parking lot, the ramp retaining walls, and the retaining wall separating our parking lot from the Plaza's lot. The ramp will be widened and its retaining walls rebuilt well within the width of the 1944 easement. The motley collection of old retaining walls straddling our joint property line and separating our lots has been removed and will be replaced by a new wall built entirely on the Plaza's property except for a small corner that will double back onto our property to meet the concrete stairs which rise from our parking lot to the Plaza's parking lot. The guard rail in the center section of our parking lot has already been removed. After retaining wall construction is complete, our parking lot will be patched, its cracks filled and our entire lot sealed and restriped. By restriping our lot with straight-in spaces, for which we have sufficient driving aisle width, we expect to gain perhaps a dozen extra parking spaces and simplify the process of entering and exiting our lot. All of the foregoing work is being done at the expense of Lakewood Plaza's owner.

Western end of LMT's parking lot looking northwest toward Lakewood Plaza's parking lot and Kaufman Park.

All members and visitors to our Temple, especially those parking in our lot, are encouraged to be patient and vigilant throughout the construction period.

Lakewood DeMolay meets on the first and third Thursday of each month, and all Masons are encouraged to visit at any meeting. Membership is open to young men aged 12 to 21. No Masonic affiliation is required for membership other than to be sponsored by a Mason. If you know of a young man who would be a good DeMolay and who would enjoy the great experience that is DeMolay, please contact Chapter Advisor Dad Craig Haskett at 440.892.1738 or bvhomeloans@yahoo.com. With 58 members, our Chapter is now the largest in Ohio. We especially invite Masons to our semi-annual Inspection on Thursday, August 2, at 7:30p. Our young men are always encouraged by your presence.

Lakewood Masonic Temple Company Turns 100

(continued from page 1)

shares—and various individuals, 369 shares; for a total of 469 shares.

Adjusting for inflation, the 1912 share price of \$10 would be approximately \$235 in 2012, so the original subscribers committed over \$110,000 in today's dollars toward the construction of a new and proper Masonic Temple for the growing City of Lakewood. Similarly, the 2,000 originally authorized shares would collectively represent over \$469,000 in current dollars.

The new Company also adopted Articles of Regulations (now called a Code of Regulations) providing variously that the Annual Meetings of the Company would be held the second Friday in November; that stock shall only be issued to Masons, their wives, sisters, mothers and children; and that all stock held by a Masonic organization shall be voted by the presiding officer of that organization.

Over the next few years the Annual Meeting dates were twice amended—on November 12, 1915, to the third Tuesday in November, possibly to accommodate Gaston G. Allen Lodge #629 F&AM which was chartered in 1914 and met on Fridays; and on November 16, 1920, to the last Tuesday in January, perhaps to move past the holiday season.

The hundreds of original subscribers made very significant financial commitments to the future of our Lakewood Masonic Family, resulting in the beautiful and historic home in which we have met and which we have shared with the community for over 95 years. Will you make your own financial commitment today to preserve our unique and beloved home for future generations? Gifts to our Lakewood Masonic Foundation are exempt from federal income and estate tax purposes to the extent permitted by law. As always, we encourage you to consult with your attorney and/or tax advisor before making any major gift. You may make your gift by using the form on page 11. If you prefer, you may make your gift instead to the Lakewood Masonic Temple Operating Fund or the Lakewood Masonic Temple Endowment Fund; however, gifts to these funds are *not* tax-deductible.
