

# The Foundation Light

Volume 2 Number 1 • March-April-May 2005

Published by the Lakewood Masonic Foundation

## Water, From Top to Bottom

Gutters. That's what they do. Top to bottom. They collect water from the roof and direct it to downspouts which carry it to storm sewers at the bottom of the building's foundation and thence to city sewers. But in the case of our Lakewood Masonic Temple, they don't quite do that any more.

After nearly nine decades of service, our original copper gutters have corroded. They leak water down the sides of our building where it damages our exterior masonry. They leak water into parts of our building causing damage to interior plaster and painted decorations. These are not good things.

Taking the advice of the National Park Service's Technical Preservation Division that "uncontrolled moisture is the most prevalent cause of deterioration in older and historic buildings," The Lakewood Masonic Temple Company has decided to replace

the gutters, as original, so that they will carry water away as they were originally designed to do. This project will cost \$35,000. That's a lot more than your house? Yes, it is. But consider that the size of our building requires gutters that are much larger in dimension—and many more running feet of them. And, most importantly, our gutters are several stories in the air and accessible only by lifts or scaffolding rather than by simple extension ladder.

The Lakewood Masonic Foundation has agreed to help raise funds for this crucial historical preservation project. Your gift will help us keep rain water outside where it belongs so that our historic home can be preserved for future generations. You can use the form on page 11. Gifts to The Lakewood Masonic Foundation are deductible for federal tax purposes to the extent permitted by law.

## Inaugural Annual Fund Drive Brings Success

The Lakewood Masonic Foundation's first-ever Annual Fund drive was successfully concluded in 2004 with a total of \$9,619 raised. Adding monies donated directly to The Lakewood Masonic Temple Company's Endowment and Operating Funds, a grand total of \$10,684 was collected for the preservation and operation of our Masonic home. We are grateful to each and every donor. Their names and related memorials are listed on page 10.

Our 2005 Annual Fund campaign is already underway, and you will find a variety of ways to contribute. You may respond directly to our Annual

Fund appeals such as the one you received during the holidays. You may also wish to make a donation at the same time you write your annual dues check for membership in one of our Lakewood Masonic Family groups. Your donation may be made right now by using the form printed on page 11.

Many donors make periodic gifts with the intention of achieving a larger personal goal. Your contribution to the Foundation, however large or small, is greatly needed and appreciated. Gifts to The Lakewood Masonic Foundation are deductible for federal tax purposes to the extent permitted by law.

<b>Inside this Issue:</b>

## In Lieu of Flowers . . .

Families more and more often suggest that, in lieu of sending flowers, friends should make a donation to a favorite charity to memorialize the deceased. Members of the Lakewood Masonic Family are urged to discuss with their relatives, along with other funeral arrangements, the desirability of suggesting donations to The Lakewood Masonic Foundation in lieu of flowers. All such donations will be recorded in memory of the deceased, and donors may deduct their gifts for federal tax purposes to the extent permitted by law. This can be as simple as inserting the statement "Memorial contributions are suggested to The Lakewood Masonic Foundation, 15300 Detroit Avenue, Lakewood, OH 44107-3888" into a death notice or obituary. It's one good way to have your love for the Lakewood Masonic Family live on.

## It's High Twelve in the Western Reserve

The Western Reserve Masonic Community is proud to announce the formation of the Western Reserve High Twelve Club No. 731 on Tuesday, July 13, 2004. The Club was presented its Charter at Western Reserve Masonic Community, which will continue to serve as the Club's meeting site. We are most excited to announce that one of our own residents, Bro. Harold Vaughn, will be serving as its current President.

The Western Reserve Masonic Community is the newest not-for-profit subsidiary of the Ohio Masonic Home, providing quality retirement living, adult health-care and community-based services to adults 55 and older. WRMC offers a variety of lifestyle accommodations from single family Patio Homes to private Health Care Apartments, while encouraging mental, physical and spiritual health and prosperity.

Bro. Vaughn shared that the High Twelve Club has had as many as 55 Masons, wives and widows at its luncheon and draws from all over Northern Ohio, as far as Youngstown, Lyndhurst, Avon Lake, Barberton and many other areas. Western Reserve No. 731 was sponsored by Temple on the Hill High Twelve Club No. 720 out of Youngstown and even had a Mason from Florida instrumental in its beginning and recommending WRMC as a host site.

Bro. Vaughn and Western Reserve No. 731 are excited that Western Reserve Masonic Community is the home of the High Twelve Club, enabling not only area Masons, but also its own Masonic residents to enjoy fellowship right in their own home. Area Masons, wives and widows are welcome to attend the luncheons. Western Reserve No. 731 High Twelve meets the 2nd Tuesday of each month. To attend Western Reserve High Twelve No. 731, or for more information, please contact Harold Vaughn, Western Reserve Masonic Community, 4931 Nettleton Road, Medina, OH 44256, 330.721.3208 or Secretary/Treasurer, Ron Ebert at 330.225.4769.

## Master's Message

We are happy to have several candidates in progress as well as petitioners for both the Grand Master's One Day Class on April 9 and for degrees in Lodge. Our annual Inspection will be on Thursday, April 28, in the Master Mason Degree. We hope that many of our Fellowcraft Team members from years past will step forward to participate on this occasion. We especially miss our long-time Fellowcraft Team Captain Bob Kellogg, who passed to the Celestial Lodge just over a year ago. Join us in honoring his memory by coming out to work with the Team—and bring another brother!

P.S. Our Secretary reminds you that your annual dues were due prior to our Annual Meeting in November. You can assist our Secretary and our Lodge by returning your dues promptly, thus eliminating the need and added expense for additional follow-up. Thank you!

## Master's Message

Brethren: I hope everyone had a most happy holiday season and a good start to a prosperous New Year. As we prepare for the coming Masonic quarter, a short update. Some eighty brethren and their families enjoyed the annual Christmas Party with everyone seeming to enjoy themselves. Many thanks to Wor. Bro. Millard MacDonald and his lovely wife Bev for their exceptional assistance in making the party an unqualified success. Thanks too to Bro. Gary Rice and Shane Phillips for the entertainment that evening. Additional thank you's to Bob Phinney and Bob Carroll for their efforts in shopping, wrapping and helping in so many ways. It was truly a team effort.

January 24<sup>th</sup> was the night of our annual Inspection in the E.A. Degree. Lakewood started the Inspection season in the 22<sup>nd</sup> District; and it is off to a good start, with the officers again doing a fine job of exemplifying our work. The only thing that would have been an improvement would have been more members on the sidelines cheering the officers on. Looking to the future, the officers are going to be very busy with degree work. Two candidates are in the process, another petition has been received, and so far there has been one reinstatement. Should that trend continue, it bodes well for our future. If some of our current members attend from time to time, the Lodge will truly enjoy a renaissance of interest and activity. Please come and join the activity. Not too far down the line we shall start to confer MM degrees, and your help will be solicited on the team. I look forward to seeing you then.

And now a look ahead in time to our schedule for the next several months. While there may be some rescheduling, this is the outlook:

- March 14 Stated Meeting, M.M. Degree
- March 21 No Meeting
- March 28 Stated Meeting, E.A. Exam, F.C. Exam
- April 11 Stated Meeting, M.M. Degree
- April 18 No Meeting
- April 25 Stated Meeting, F.C. Degree
- May 9 Stated Meeting
- May 16 No Meeting
- May 23 Stated Meeting

Stated Meetings First & Third Wednesdays 1:30 p.m.

## Matron's Message

**Why We Do What We Do.** As you know by now I love music. It makes people happy, sad, relaxes and is able to bring people together without words. Since we started this year we created our own little orchestra, and for that we didn't need skills or sophisticated instruments. We use cymbal, triangle, drums, wooden stick, gourds, tambourine and rattles with one word, percussion. These are instruments Carl Orff, the composer of Carmine Burana, used to teach children. Today they are used in many different places from kindergarten to rehabilitation to rebuild motor functions, to help children and adults with special needs and for the elderly to keep them interested and just having fun. If you, the **reader**, would see how all the faces light up when we start playing, even if it's only for a few minutes, you would wish to be a part of it. Finally, please note that this newsletter replaces our quarterly Bulletin. Please save this copy. Thank you!

## Stated Meetings

- March 2 Initiation - Refreshments - Star Points
- March 16 Let's Be Irish - Refreshments - North/East/West
- April 6 Inspection of Officers - Refreshments - Line Officers  
Salad Lunch at 11:30a
- April 20 It's Spring - Refreshments - Star Points

## High Priest's Message

Although I am writing this article in January while an ice storm rages outside, I am warmed by the thought that by the time this article reaches you, a good portion of winter will be behind us. Every January I ask myself: WHY am I living in Ohio? Despite our bad weather in the winter months, Ohio and the Cleveland area is a great place to live because of the wonderful and generous people who live here. One of the things that makes us great is our sense of giving. Royal Arch Masons traditionally give to two charities which we should all promote and support.

### ROYAL ARCH RESEARCH ASSISTANCE (RARA)

Since its conception in 1974, Royal Arch Research Assistance (RARA) has been the world's leading philanthropy dedicated to helping children with Central Auditory Processing Disorders. RARA, through the contributions of the General Grand Chapter of Royal Arch Masons International, supports the Center for Central Auditory Research at Colorado State University, where continuous efforts are being made to understand and treat individuals with Central Auditory Processing Disorders. What is Central Auditory Processing Disorder? Children with CAPD typically have completely normal hearing acuity and have no difficulty understanding very soft speech in quiet environments, such as a sound-proofed room. However, because of inefficiencies in their central auditory nervous system, that is, their brainstem and cortex, these children often receive auditory messages in a distorted or incomplete manner, even in minimally noisy situations. Because of their difficulty with understanding speech, these children often develop academic, emotional, and social problems. Researchers at the RARA Center for Central Auditory Research have discovered that as many as 15% to 25% of school-aged children have CAPD, and that nearly 40% will fail at least one school grade due to this disorder despite normal intelligence. Children with CAPD frequently misunderstand verbal instructions, are easily distracted or confused in minimally noisy places, and fail to perform up to their potential. In noisy environments, these children experience a listening chaos and become frustrated, underachieving students.

### ADOPT AMERICA NETWORK

The Adopt America Network (AAN) places "special needs" children who are waiting for homes with permanent adoptive parents, pays for home studies so that eager parents can afford to welcome children into their homes, and coordinates a national network of volunteer adoption specialists who recruit and match families with waiting children. Just as important as the financial support that will be provided through the foundation, AAN hopes that Royal Arch Masons will provide a greater public awareness of their organization and of their mission. As we share the message of AAN, not only in our Chapters but as well in our churches, communities and civic groups, it is hoped that additional adoption specialists can be located and that new adoptive parents will come forward.

If you would like to support these charities, send your contributions to RARA or AAN c/o our Chapter Secretary, Cecil Hamilton.

# Holy Grail Commandery #70 K. T.

Stated Meeting Second Wednesday 7:30 p.m.

## Commander's Message

Last year our line was very weak. This year it is stronger but still needs strength. In this fast pace of life we live in, no one wants to commit themselves. Sir Knights, I appeal to you to come and support your Commandery. We need each and every one of you. Poor attendance does not hurt me but does hurt the Commandery. I cannot perform miracles, or I would. For instance, I would love to have a drill team. If this Commandery is going to prosper, we need you. To me Commandery thrives on competition. Without it you destroy yourself.

On a lighter side, we had Christmas Observance with the eight toasts from Grand Commander on down. Thanks to Bill Grater and George Wadge of Lorain.

## Lessons from the Geese

**Fact 1.** As each goose flaps its wings it creates an uplift for birds to follow. By flying in a V formation the whole flock adds 71% greater flying range than if each bird flew alone.

**Lesson.** Masons who share a common direction and sense of community can get where we are going quicker and easier because we are traveling on the thrust of one another.

**Fact 2.** When a goose falls out of formation it suddenly feels the drag and resistance of flying alone. It quickly moves back into formation to take advantage of the lifting power of the bird immediately in front of it.

**Lesson.** If we Masons have as much sense as a goose we will stay in formation following those headed in the direction for the betterment of our fraternity. We are willing to accept their help and give help to our brothers.

**Fact 3.** When the lead goose tires it rotates back into formation, and another goose flies in point position.

**Lesson.** As Masons it pays to take turns doing the hard tasks and sharing in leadership. As with geese, Masons are interdependent on each other's skills and capabilities and unique gifts, talents and resources.

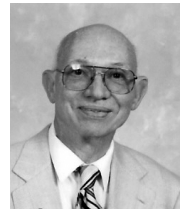

**Fact 4.** The geese flying in formation honk to encourage those up front to keep up their speed.

**Lesson.** As brothers we all need to make sure our honking is encouraging in brotherhoods where there is encouragement. The production is much greater and the Masonic light much brighter. The power of encouragement to stand by a brother whose core values and obligations are in line with Masonry is the quality of honking we seek.

# Cleveland Assembly #15 S. O. O. B.

*Stated Meeting Second Wednesday 7:30 p.m.*

## President's Message

The 2005 year has begun for Cleveland Assembly #15 with unity of fraternal friendship at Installation. The awesome 7th Division CTA Flag Presentation was under the direction of Sir Knight Richard Griffith and the guidance of CTA President Robert Trigg. Also participating were Grand Commander Arthur Michael, PGC Ronald Ebert, and SK James Parker IV, PCW of Grand Council. Past Supreme Worthy President Mrs. Howard McClure led the SOOB team installing the 2005 Cleveland officers. Our Beauceant has a full corps of swell officers. DeMolay and Job's Daughters served dinner, and guests attended from various Masonic bodies. Officers provided a Chocolate Lover's Buffet afterward, along with music by John Kowalski. Wow, what a night! Thank you, everyone.

Beauceant will continue to meet on the 2nd Wednesday of each month at 7:30p with a 6:30p potluck with husbands and the Commandery. We will have initiation on March 9. We will be doing the dinner for Holy Grail's Inspection on March 19. Lynn Robertson is chairman, and officers are helping. We will honor Mothers on May 11 and Past Presidents on June 8. Hopefully, we will get some petitions from wives, widows, sisters, daughters, or mothers of Knights Templar to join our Assembly during the year.

Our 2005 Community Project is to contribute to the RTS (formally known as the Resolve Through Sharing) program at MetroHealth Medical Center. We will provide blankets for infants who are stillborn or who experience neonatal death, so that, for the brief hours after delivery/death, the parents and family can hold the baby in nonhospital clothing. These will also be for those infants whose condition at birth is fatal and not treatable, so that the parents can hold their baby until it departs for eternal life, says Elinor Bayse, Chairman. Donations of cloth, sewing, layettes, or funds can be directed to Elinor or Ellen. Our Masonic youth focus will be Lakewood Job's Daughters and DeMolay. Also, Masonic High 12's Wolcott Foundation at George Washington University. George Wadge is an International Trustee, and Ellen is Ohio donated jewelry fund raiser chairman. Donate your old used and/or unused jewelry, please.

Assembly fundraising will continue with the Candy Project headed by PP Donna Ebert and Edna Beiser. Candy will be on sale at Commandery Inspections and other Masonic events.

Our 2005 Motto is "Honor our gentlemen...Cleveland Beauceant Sir Knights." We initiated two ladies who joined solely via their fathers being Sir Knights. We honor the memory of SK Harry Bennett, PC, father of Mrs. Grant (Bonita) Rollason. She remembers the Sir Knights presenting the flag at Rainbow and driving to see the Knights Templar Easter Service and men marching. Her mother Romayne Bennett is a Past Worthy President of Beauceant. And we honor SK Norman Rickard, PC, father of Mrs. David (Nancy) Maiden. She remembers the big ball held in Lorain Temple when her father was Commander, ladies wearing cocktail length dresses, an elegant affair. She learned the polka and danced it with her father.

### *Worthy President*

# Lakewood Chapter Order of DeMolay

*Stated Meetings First & Third Thursdays 7:30 p.m.*

Lakewood DeMolay meets on the first and third Thursday of each month, and all Master Masons are encouraged to visit at any meeting. Our next Open Installation of Officers will be on Saturday, March 12, at 7:30 p.m. All members and friends of the Lakewood Masonic Family are especially invited to join us on that evening.
